Hi Carolyn! You have the esthetician pages, you keep the skincare counts up to date, and you clock in. You also work the front desk and the bridal team, so your Front Desk and Weddings guides cover those. Here is how to use the pages that are just for you.

RX Card

I am still working out the process for RX cards, so I left the steps out of this guide for now. We'll be in touch about it soon!

ESTHETICIANS

Esthetician extras

- Your **Today** checklist has Consult, Waiver signed (when needed), Before photo, After photo and Rebooked.
- Get the waiver signed before you start. No signature, no service.
- Your **Home Care** list shows skin products only. Keep how-to words to face and neck, say **P50** (never "lotion") and use amounts like 1–2 pumps or a pea-size.

↑ CONTENTS

Skincare Stock

Every Biologique Recherche product, split into **In stock** and **Out of stock**. Use the search box to find one fast.

Under it is the **Spa room supplies** list.

GOOD TO KNOW

Something running low? Tell Carolyn, Alexandra or Rose.

Updating skincare counts

You can change the counts. Type the number you see on the shelf. It saves for the whole spa team. Do the same for the spa room supplies.

You clock in and out in the app. It's on your Home page.

1. When your shift starts, open the app and tap **Clock in**.

Forgot to clock in or out? Tap that line under the clock.

1. Pick the day (up to 2 weeks back).
2. Tap **Clock in**, **Clock out** or **Both**.
3. Type the time you missed. You can add what happened.

GOOD TO KNOW

Alexandra sees that you added the time by hand. If you never clocked out, a red **No clock-out** box shows on Home. Tap **Fix it**.

BRIDAL APP SQUARE

Bridal App

If you are on our bridal team, your Home menu has a **Bridal App** square. It opens your own page in the Taffeta Weddings app, so you don't need to find your artist link.

1. Open your team app and go to **Home**.
2. Tap the **Bridal App** square. It opens in a new tab.

3 You see your weddings, job offers, tips and pay. Your Weddings guide shows how each page works.

GOOD TO KNOW

Don't see the square? Tap **Refresh** at the bottom of the screen. If it still isn't there, use **Send To Alex** and ask for it.
